

## Using STARSHIP to Improve Reading and Writing

**Lesson Title:** \_\_\_\_\_

**Class:** \_\_\_\_\_

**Date:** \_\_\_\_\_ Please Indicate by an "X" if you are: Male \_\_\_\_ Female \_\_\_\_

The purpose of STARSHIP is two-fold, first to encourage reading and writing proficiency, and next to engender an appreciation for science and technology. Assign a score of 1-10 to each comment listed below after having participated in this lesson. If the item was not present, leave the item blank.

**4-5 = lowest mark          7-8 = average rating          9-10= outstanding to excellent**

- A. \_\_\_\_\_ Prior to the lesson were you interested in the lesson's topic?
- B. \_\_\_\_\_ After completing this lesson, I feel more comfortable about reading/writing.
- C. \_\_\_\_\_ Did using the lesson make the assignment more appealing/attractive to you?
- D. \_\_\_\_\_ After having participated in the lesson, did your interest / curiosity in things related to space, rocketry, or science increase?
- E. \_\_\_\_\_ Did resources (pictures, videos, or audios) from the DEH website help you do the lesson?
- F. \_\_\_\_\_ Compared to a non-space related writing topic was this lesson more interesting to you?
- G. \_\_\_\_\_ Could you explain to another person what the lesson was about?
- H. \_\_\_\_\_ I enjoyed exploring the topic and using that information in the lesson.
- I. \_\_\_\_\_ Did video/audio clips or pictures helped me understand the lesson better?
- J. \_\_\_\_\_ After this lesson, I not only have improved my reading/writing, but I also learned something new regarding space, rocketry, or science.
- H. \_\_\_\_\_ Was this activity a good use of class time?

**Comments:** \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

(Ex: I liked the lesson/video because of ... or the story about the ....held my interest, etc.)
